DOCKET NO. 2007-311-C - ORDER NO. 2007-806
NOVEMBER 7, 2007

IN RE: Application of Farmers Telephone)	ORDER APPROVING
Cooperative, Inc. for Approval to Make Two)	CHANGES TO
Internal Telephone Exchange Boundary)	BOUNDARY
Changes)	EXCHANGES

This matter comes before the Public Service Commission of South Carolina (the “Commission”) on the request of Farmers Telephone Cooperative, Inc. (“Farmers”) for boundary changes for the exchanges of North Sumter, Pocalla, and Stateburg. Farmers states the reason for this request is to conform the exchange boundaries to existing natural boundaries. Additionally, the changes appear to address situations where new subdivision development in the Sumter area would be served through more than a single exchange. The South Carolina Office of Regulatory Staff supports this proposal. After careful examination of the information supporting these changes, it does not appear any active customers or boundaries between telephone utilities will be impacted by these changes. Therefore, the boundary changes for the exchanges of North Sumter, Pocalla, and Stateburg are approved.

This Order shall remain in full force and effect until further Order of the Commission.

G. O'Neal Hamilton, Chairman
